

BE @SMM2020 - Brokerage Event @Smart Manufacturing Matchmaking 2020 Virtual Edition

Opportunities to meet company managers, researchers and public bodies working in the area of Smart Manufacturing and Industry 4.0. Register now to <https://smm2020.b2match.io/>

Organized by SPIN - Innovation Business Support – EEN Italy partner

Due to the Covid-19 emergency, the intention to organize SMM2020 in attendance cannot be maintained. For this reason, from 18 to 20 November 2020, there will be the entirely online SMM2020 Virtual Edition event.

Industry 4.0 is revolutionizing and revitalizing all industrial operations, positioning itself as a new paradigm for companies that must engage in new challenges but at the same time can take advantage of the opportunities offered by the fourth industrial revolution.

The participation to the Brokerage Event @ Smart Manufacturing Matchmaking 2020 is free of charge. It is an important opportunity to stay updated on the latest advanced technologies, innovation demand from institutions and cities, new applications from SMEs, and technological challenges faced by large companies.

The BE@SMM2020 will be organized as a virtual matchmaking event, this means that all 1:1 meetings will be held online through the website of the event. You do not need any additional software, only an up-to-date web browser, a microphone and a webcam.

BE@SMM 2020 Main Topics are: Digital Twin; Industrial Internet of Things; Applications of Virtual/Augmented/Mixed Reality in Industry; Big data Analytics; Cyber Physical Systems; Simulation; Autonomous Robot; AI & Machine Learning for Industrial applications; Additive Manufacturing; Cyber security and Cloud; Human Machine interfaces; Human to Machine cooperation; Predictive Maintenance; System integration; Autonomous production.

The brokerage event is part of **Smart Manufacturing Matchmaking 2020 Virtual Edition**, that in addition to BE@SMM2020 includes the following events:

- **Webinar 4.0 @ Smart Manufacturing Matchmaking 2020**
- **Virtual Company Mission @ Smart Manufacturing Matchmaking 2020**
- **Pitch Session Award @ Smart Manufacturing Matchmaking 2020**
- **Virtual Exhibition @ Smart Manufacturing Matchmaking 2020**

Webinar 4.0 @ SMM2020 includes webinars held by specialists and related to SMM2020 topics. It will take place on 18, 19 and 20 November.

Virtual Company Mission@ SMM2020 will be activated on specific Industry 4.0 topics and will include virtual presentations by one or more companies/research groups to other invited companies/research groups that have shown interest in the company mission's topic. At the end of the presentations there will be one-to-one meetings previously scheduled.

Pitch Session Award @ SMM2020 provides for an "Open Innovation" session with Large Companies and one with the financing of innovative projects. Online applications will be acquired and the best proposals selected will be invited to pitch, always online, which will determine the winners for each of the competitions.

Virtual Exhibition @ SMM2020 will be active from November and will remain active until the next edition of Smart Manufacturing Matchmaking. It will be open to innovative projects and demonstrations proposed by SMEs.

You can follow SMM2020 Virtual Edition on the website or on the Telegram channel:
